## Lindsay Lohan: Miami Beach Bikini Babe

Following a **night on the town** with girlfriend Samantha Ronson, **Lindsay Lohan** was ready for a little R&R on the beach in Miami on Tuesday (December 31).

Accompanied by her younger brother Michael Lohan Jr., the "Mean Girls" starlet flaunted her fabulous figure in a sexy two-piece while laying out with a few friends.

Through the course of her seaside outing, Miss Lohan also happened to get a big kiss on the cheek from a young admiring fan - blushing immediately on the spot.

As for later tonight, LiLo will be taking over hosting duties at Mansion nightclub while Miss Ronson takes to the turntables.
